Two of the summer interns at the [Port of Oakland](#) made this tee shirt for me inspired by my tweets that needled SF for suing us over the [San Francisco Bay Oakland International Airport](#) name change. One side says, "Pick me up at San Mateo Airport" and the other a map pointing to @flySFO saying "Not San Francisco". The flip side has an arrow to the adjoining county to the north saying, "San Francisco".

I love my fellow commissioners for joining in the fun!
